SHIVAM RAIKWAR

Fullstack Developer

☎ +91 7355763173 @ shivamkashyap3626@gmail.com 🔗 https://www.linkedin.com/in/shivam-raikwar 📍 Pune, India

EXPERIENCE

Project
Realtime Chat App

Developed a real-time Chat App using MERN stack with secure authentication, instant messaging, online status indicators, and responsive design.

- Implemented real-time communication features using technologies such as WebSockets.
- Integrated secure authentication using JWT and bcrypt for user login and registration.
- Implemented online/offline status tracking for enhanced user interaction.

Project
Job Portal

A portal enhancing job search and application processes.

- Developed and deployed a full-stack job portal using MERN stack.
- Implemented secure authentication and authorization features using JWT.
- Built and maintained an admin dashboard with user management and real-time notifications.

Project
Linkedin Clone

A social networking application replicating core functionalities of LinkedIn.

- Developed and launched a LinkedIn clone using React Native.
- Implemented Firebase Authentication and OAuth for secure user login.
- Optimized app performance, reducing load times and memory usage.

Project
Expense Tracker

Expense Tracker using MERN stack with secure authentication, dynamic categorization, interactive analytics, and responsive design.

- Developed a MERN stack Expense Tracker with secure user authentication and dynamic expense categorization.
- Optimized database queries to improve performance, enabling seamless data management for multiple users.
- Integrated data visualization tools to display real-time expense analytics and trends.

EDUCATION

Master Of Computer Application
Oriental University Indore
📅 08/2022 - 04/2024 📍 Indore, M.P.

Bachelor of Science (MATHS)
Bundelkhand University
📅 08/2019 - 04/2022 📍 Jhansi

XII
Tathagat gyan sthali inter College
📅 05/2018 - 03/2019

X
Tathagat gyan sthali inter College
📅 05/2016 - 03/2017

SUMMARY

As a passionate and motivated Full-Stack Developer, I have foundational experience in building and deploying web applications using the MERN stack. My academic background has equipped me with a solid understanding of both front-end and back-end technologies.

STRENGTHS

💙 **Fullstack Development**

Expertise in full-stack development with hands-on experience in building scalable web applications.

🏆 **Problem-Solving**

Strong problem-solving skills demonstrated through projects and internships.

CERTIFICATION

Fullstack Web Development
📅 11/2023 - 04/2024 📍 Gwalior

Skilled in designing and developing full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Proficient in creating responsive, user-friendly interfaces with React, building robust RESTful APIs, and managing databases for scalable solutions. Experienced in integrating secure authentication, optimizing application performance, and delivering seamless end-to-end functionality tailored to user needs.

- Successfully Created Zomato Clone Website.

Data Analyst
📅 03/2023 - 08/2023 📍 Gwalior

Gained foundational knowledge in Python with proficiency in libraries like NumPy and Pandas for data manipulation, Matplotlib for data visualization, Power BI for creating interactive dashboards, and SQLPlus for database management and querying.

- Proficient in Python programming with experience in data analysis, automation, and web scraping using libraries like Pandas, NumPy.

SKILLS

Html	Css	JavaScript	Bootstrap
React	Node Js	Express Js	
Mongo DB	Rest API	Taiwind Css	
SQL	Power BI	Python
